

Million Reasons - Lady Gaga

You _____ (give - progressive) me a
million reasons to let you go
You _____ (give - progressive) me a
million reasons to quit the show
You're givin' me a _____ reasons
_____ me a million reasons
Givin' me a million _____
About a _____ reasons

If I had a highway, I would _____ for the hills
If you could find a dry way, I'd forever be still
But you _____ (give - progressive) me a
million reasons
Give me a _____ reasons
Givin' me a million _____
About a _____ reasons

[Chorus]

I bow down/up to pray
I try to make the worst seem better
Lord, make/show me the way
To cut through all his worn out leather
I've got a hundred/thousand million reasons to
walk away
But baby, I just need one good/bad one to stay

Head/Mind stuck in a cycle, I look off and I stare
It's like that I've stopped breathing/feeling, but
completely aware
'Cause you're taking/giving me a million reasons
Give me a million/thousand reasons
Givin' me a million options/reasons
About a hundred/million reasons

And if you say _____ that you might
even mean
It's hard to even fathom which parts I should
believe
'Cause you _____ (give - progressive)
me a million reasons
Give me a _____ reasons
Givin' me a million _____
_____ a million reasons

[COME BACK TO CHORUS]

Oh baby, I _____ (bleed - progressive),
bleedin'
Stay
Can't you give me what I _____ (need -
progressive), needin'
Every heartbreak makes it hard to keep the faith
But baby, I just _____ one good one
_____ one, good one, good one, good
one, good one

When I bow down to ask/pray
I try to make/feel the worst seem better
Lord, show/take me the way
To cut through all his worn out leather
I've got a hundred million situations/reasons to
walk away
But baby, I just need/see one good one, good one
Tell me that you'll be the bad/good one, good one
Baby, I just need/want one good one to stay
