

Find the equal addends of the following sums
(green group)

A) ----- + ----- = 12

B) ----- + ----- = 14

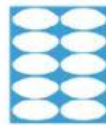

C) ----- + ----- = 16

Answer the following questions:

$$\text{-----} + \text{-----} = 20$$

a) How many equal groups?

b) Is the sum even or odd?

If you have 7 as sum is there any equal whole addends? Think
