|--|---------------------------------------|
| We're leaving together, | We're leaving ground (leaving ground) |
| And maybe we'll come back | To earth, who can tell? |
| I guess there is no one to blame | But still it's farewell. |
| Will things ever be the same again? | |
| It's the final countdown. The final countdown...Oh! | |
| We're heading for Venus (Venus) | And welcome us all, yeah. |
| 'Cause maybe they've seen us (seen us) | |
| With so many light years to go | And still we stand tall |
| I'm sure that we'll all miss her so. | And things to be found (to be found) |
| It's the final countdown. The final countdown...Oh! | |
