The Ice Cream Disaster

My day **started** out great! I **woke** up to the sound of the birds. I **knew** my Grandma **was** making bacon for breakfast. I love bacon!

We **went** to the beach near my Grandma's house. Grandma **promised** that I could get some ice cream from the Snack Bar. I **built** four sandcastles and **swam** in the water with my friend Todd.

Then, Grandma **gave** me the money and I **bought** an ice cream cone.

Finally, the ice cream **melted** because of the sun. I **was** really sad but I **had** a nice day at the beach with my friend Todd.
