

READING: Choose TRUE / FALSE

Hello! My name is Joaquina. I am fifteen years old. I am outgoing and neat however I am not messy. I like listening to music but I don't like reading books. I want to tell you about my childhood.

When I was a baby, my hair was curly and short and my favourite songs were "happy birthday" and "bitsy spider". My first word was "mother". When I was 1 year old, I could crawl however I couldn't talk. At the age of 3, I learnt to ride my bike. My favourite films were "Spider man" and "Tarzan". I used to watch those movies every day. When I was 5 years old, I learnt to write my name. I could draw very well however I couldn't read.

This is a photo of my first day at school. In this picture, I was 6 years old and I was very nervous. My best friends were Martina and Julia. Our favourite T.V programme was "chiquititas". We used to watch it every afternoon.

What about your childhood?

Write soon!

Joaco!
