

# WHAT A MESS!!

Last week I rented an apartment in a central neighborhood in New York.

To introduce myself, I decided to make a gift to each of my neighbors and the doorman gave me some information.

During the move I have mixed up that information and need help to put it in order.

Can you help me?

FLOOR	NAME	SPORT	HOBBIE	PET
1 <sup>st</sup> floor				
2 <sup>nd</sup> floor				
3 <sup>rd</sup> floor				
4 <sup>th</sup> floor				

- The owner of the cat loves going skating.
- The person who lives on the fourth floor sometimes reads comics.
- The owner of a colorful parrot loves playing basketball.
- One of my neighbors always goes shopping.
- The owner of the parrot lives on the second floor.
- The person who lives on the third floor has a naughty cat.
- When Lucy goes to the cinema, she leaves water for her furry hamster in a bowl.
- Rose walks her small dog before doing judo every day.
- The girl who goes to the cinema loves going skiing in winter.
- Angela has a colorful parrot.
- Lucy lives on the first floor and she usually goes to the cinema with her friends.
- Lisa frequently surfs on the internet. She visits skateboarding webpages.

# CONGRATULATIONS!

If you have been able to put all the information in order, it is time to answer these questions:

How often does Lucy go to the cinema?

---

How is Rose's dog?

---

How can you describe Lisa's cat?

---

How often does Angela go shopping?
