

## Read and match.

1 We're shouting loudly 

2 She's talking quietly 

3 He's walking slowly 

4 You're running quickly 

5 They're winning 

6 She's carrying the boxes  
carefully 

7 I need an eraser 

 because your school  
bus is going.

 because she doesn't  
want to drop them.

 because I'm drawing  
very badly.

 because he's got a  
backache.

 because she's in the  
library.

 because they're  
playing well.

 because we're  
watching an exciting  
football game.
