

Please arrange the following jumble paragraph into a good descriptive text based on the titles provided!

Title	Identification	Description
My New Puppy		
My Room		
My Friend		

Ross is a small puppy. His size is as big as the palm of my hand. Ross is so fragile. Sometimes I afraid I will hurt him if I want to take him up. Dad said he found Ross near our house, crying looking for his mom. But Dad can't see her, so Dad decides to bring him home and give him some comfort. Ross is a good eater. He always finished everything we gave him. Now, it's been a year since Ross come to our family. His small body has grown up into a size of a football ball. Ross is a good dog, and we love him so much

My father bought me a present I've wanted for years. It's a dog. A puppy to be exact. I called him Ross

Roddy is my friend since we are kid

My room is in second floor, next to my big sister's room. My room is painted light grey. There is big bed inside my room where I sleep every day. I put some pictures on my desk. There are my family picture, my picture with my friends, and my pictures with my pet, Luna, a persian cat. I also have drawers where I put all my clothes inside. My room is not big, but it is the best place in my house for me

We are neighbour and we always go to the same school. Roddy is taller than me. He has blonde hair and pointed nose. His favourite food is hamburger with fries and coke. We often playing video games together in my house. But sometime we love swimming in water park near our neighborhood. Roddy and I are best friend forever.

My room is my favorite place in my house
