Dear best friend.

I'm writing from Canada,
I'm having a good time here.

Let me tell you about my vacations.

It is raining right now, so all my
clothes are ___ right now!

It is ___ to go out because of
the rain. In the afternoon, I want to
visit ___ and shop in the local
stores with my mom. I also want to tell
you that I am ___ of spiders! I saw
one today! It's scary. Well, it's time to
say goodbye. I'm ___ in my room, my
parents are making breakfast.

See you soon! Don't forget to tell me
about your XBOX! Is it _____?

Bye!
