## READING

1 Look at the website. Whose blog is this? What is it about? What information can you find on the website?

2 Complete the About me text on the webpage. Write one word for each space.

About me

Hello everyone!

Thank (0) .... you .... for visiting my blog. I hope you enjoy reading (1) ..... My name is Caitlin and I'm 14 years (2) ..... I've always loved cooking. (3) ..... I was nine, I told my parents I wanted to be (4) ..... chef and that's still my plan today. I especially love making cakes and baking.

On this blog I want to show people (5) ..... much fun it is to cook. I also want to show them that cooking a meal can (6) ..... quick and easy, and that it tastes better (7) ..... food that is made in a factory.

And remember, if you do the cooking, you don't have (8) ..... do the dishes! So you can make (9) ..... much mess as you want. I always do!

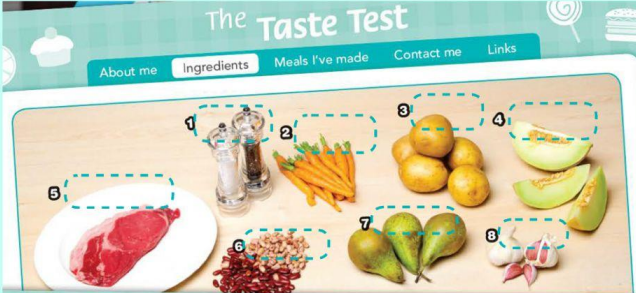

Don't forget (10) ..... leave me a message if you like anything on my website. Happy reading!
