- We use *have* + object + past participle when we arrange (and usually pay) for someone to do something for us, either because we can't or don't want to do it ourselves. Compare:

I cleaned my car yesterday. (= I did it myself.)

I had my car cleaned yesterday. (= I paid someone to clean it for me.)

- We can use *have something done* in any tense and with modal verbs.
- Have* is the main verb, and is stressed. We use auxiliary verbs (*do, did, etc.*) to make questions and negatives.
- If we want to say who did the work, we use *by*, e.g.
We had our wedding photos taken by the same photographer you used.
I had the central heating checked by British Gas.
