I Recite the rhyme.

The Magic Wand

I have a magic wand.
The nicest one,
It beats the band,
And makes things done.
It brings me cookies,
And cakes to eat.
It gets me ice-creams,
And gives me treat.

I have a magic flute,

It blows so sweet
And makes the world stun.

And takes me high.
It sings me lullabies,
And makes me sleep
