PROJECT STAGE ONE

-----Final Presentation-----

## My Final Project

Presentation: Good morning! My name is \_\_\_\_\_, and today I am going to talk about the \_\_\_\_\_. The title of my project is \_\_\_\_\_.

Introduction: Our environment is \_\_\_\_\_.  
therefore, we have to take care of it.

Paragraph 1: Nowadays, we can observe that the earth is \_\_\_\_\_ hotter because of the \_\_\_\_\_. Pollution is a big \_\_\_\_\_. We have water and land \_\_\_\_\_ since there is rubbish in \_\_\_\_\_, \_\_\_\_\_ and big garbage \_\_\_\_\_ in fertile soil. Toxic \_\_\_\_\_ expelled \_\_\_\_\_ and people using \_\_\_\_\_ and \_\_\_\_\_. Also, \_\_\_\_\_ animals because of \_\_\_\_\_. Save our planet is \_\_\_\_\_ to you and \_\_\_\_\_.

Don't forget you're brilliant!!
