EXERCISE 2 QUANTIFIERS

GRAMMAR NOTES 2–6 Complete the paragraph. Circle the correct answers.

I just got back from my year of study in Germany. I had less / fewer (1.) difficulties with the language than I expected. I didn't take some / any (2.) classes that were given in English. All year long, I spent less / fewer (3.) money than I expected I would. During week, I had to spend a great deal of / much (4.) time studying. I didn't have many / much (5.) spare hours, so I couldn't do anything but hit the books. I did have some / any (6.) time to visit tourist attractions on the weekends, though. I lived in an apartment with any / several (7.) other students who were also at the university. We would study together almost all / every (8.) evening. We had a little / little (9.) trouble getting along with each other because everyone was friendly. In fact, the amount / number (10.) of friendships I made during the year was amazing. It was really a wonderful year.
