Uncovering a Better You * One star out of five :(

John Baxter's new book *Uncovering a Better You* is a self-help book like a thousand others. Baxter offers the same old advice on (friendship) (friend) and how to (success) in romantic (relate) that we've heard over and over again from similar so-called 'experts'. He covers the (important) of honesty, the role of (trust) and the power of (communicate) in the workplace but offers nothing new or (innovate). If you have ever read a self-help book before, I'm afraid you won't be uncovering anything new here.
