Making Connections to Maps

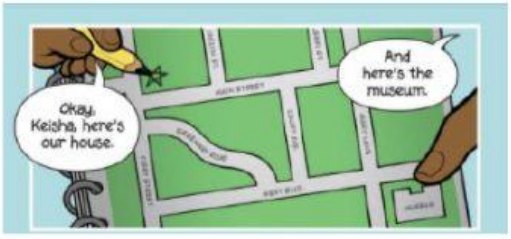

Directions: Answer one or more questions.

How do the children find out that there is more than one way to get to the museum?

_____

_____

Have you ever used a map to figure out how to get somewhere? What did you like about it? What didn't you like?

_____

_____

Now that the children used a map to get somewhere, do you think they might try using a map again in the future?

_____

_____

_____
