

Helm Orders

Read what the helmsman is thinking to find out and write the order he was given

I must steer a steady course on the compass heading indicated at the time of the order

I must hold 10° of port rudder

I must check the swing of the vessel's head in a turn

I must avoid allowing the vessel's head to go to starboard

I must hold the rudder in the fore and aft position

I must reduce the amount of rudder to 15° and hold

I must hold the rudder fully over to starboard

I must reduce swing as rapidly as possible
