TEXT:

Ana, Lovro, Eva and Dino are waiting for their first English class this year.

Ms A. smiles and looks at them, one by one.

She asks: Are you ready to cooperate?

The class is puzzled.

"What do you mean by cooperate?" asks Ana.

Here is Ms A.'s answer: practise grammar, do dictations, exchange information, play games, and, to put it in a nutshell, spend some quality time together.

Ana likes reading.

She always finds a character she daydreams about.

Lovro spends hours in front of his laptop.

He explores possibilities.

Eva swaps teen magazines with her friends.

They know all the hot news about celebrities.

Dino plays the piano.

He and his family organise musical evenings for friends and music lovers.

Kim is a bit on the plump side.

She doesn't fit into clothes everybody wears.

That's why she sees herself as a black sheep.
