

Material World

(Taken from SB page 39)

Exercise 3. Listen to four people talking about the environment.

Which person is not concerned about the future of our planet?

Why?

Do you agree?

Exercise 4. Listen again and complete the key phrases.

Expressing opinions

I'm worried about

It's important that we

We need to stop

We need to start

We need to

I'm quite concerned about

EXTRA! Which speaker thinks that...

Healthty food is too expensive?

People should buy less?

We should do something about pollution and climate change?
