

CHOICES ELEMENTARY – October 23rd 2020

Reading activity

Exercise 1

Read the text. Match the underlined words with the correct meaning.

Good food

Do you have good food in your life? We asked for some ways that you get good food. Here are a few of your stories.

Our school has got an organic garden. We learn about growing vegetables and looking after them in our food science lessons. In the holidays, we can volunteer to work in the garden. My family live in a flat so it's great for me to have a garden at school. Volunteers can take some vegetables home too, so my parents are very happy that I like working there.

My aunt and uncle live on a farm in Wales. It isn't very big but they've got hens, pigs and cows. We always go to stay with them in the summer. It's a beautiful place and the food is amazing. All the vegetables are so fresh and, because the farm is organic, we know they are healthy, too.

We live in Lincoln and my parents buy food at The Pink Pig Farm Shop. It's very famous in Lincolnshire and all the food they sell is from animals that live on the farm or vegetables that they grow. They organise a food festival once a year and we always go to eat the free food and watch cookery demonstrations. They are really interesting and you can learn a lot about cooking.
