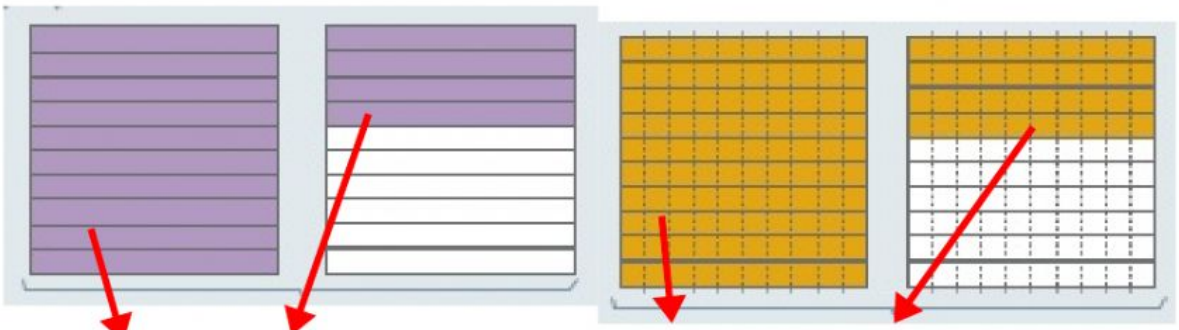
DÉCIMOS - CENTÉSIMOS

Observa las cantidades coloreadas en cada unidad...



1 entero + 4 décimos = $\frac{14}{10}$ = 1,4

1 entero + 40 centésimos = $\frac{140}{100}$ = 1,40

Los números decimales equivalentes son aquellos que representan la misma cantidad.

OBSERVA LOS DIBUJOS: Completa los espacios. Selecciona la opción correcta
