A math worksheet for addition. It features three groups of red triangles. The first group has 3 triangles, the second has 2, and the third has 1. Below the groups are four empty boxes for writing numbers. To the right is a box containing the numerals 3, 5, and 2. A plus sign (+) is between the first two boxes, and an equals sign (=) is between the last two.

$$\boxed{3 \ 5 \ 2}$$
$$+ \quad =$$

A math worksheet for addition. It features two groups of yellow circles. The first group has 3 circles, and the second has 4. Below the groups are four empty boxes for writing numbers. To the right is a box containing the numerals 7, 3, and 4. A plus sign (+) is between the first two boxes, and an equals sign (=) is between the last two.

$$\boxed{7 \ 3 \ 4}$$
$$+ \quad =$$

A math worksheet for addition. It features two groups of blue squares. The first group has 5 squares, and the second has 5. Below the groups are four empty boxes for writing numbers. To the right is a box containing the numerals 10, 5, and 5. A plus sign (+) is between the first two boxes, and an equals sign (=) is between the last two.

$$\boxed{10 \ 5 \ 5}$$
$$+ \quad =$$
