The real conditional

2 Change each factual real conditional sentence to the future real conditional.

1 If you're in a hurry, a taxi to the airport is faster than a hotel shuttle.

2 Hotel guests get a free breakfast if they reserve a suite.

3 If your hotel has a shuttle, getting there from the airport is very convenient.

4 If you travel overseas, you get the best exchange rate at an ATM.

5 The hotel charges you at check out if you take something from the minibar.

6 The front desk calls you in the morning if you want wake-up service.
