

DRAG ME DOWN

ONE DIRECTION

CHOOSE THE CORRECT OPTION!

I've got fire / ice for a heart
I'm not scared of the light / dark
You've never seen it look so difficult / easy
I got a river / ocean for a soul
And baby, you're a boat / ship
Baby, you're my only reason

If I didn't have you, there would be nothing left
The shell of a woman / man that could never be his
best
If I didn't have you, I'd never see the sun / moon
You taught me how to be someone, yeah

ORDER!

They can't blind me
You stood by me
All my life
All these lights
With your love, nobody can drag me down
When no one else was ever behind me
