I've always been about art and when I first saw a graffiti artist working I was by the idea of painting in the street. Now I'm completely and I can't imagine ever painting inside again.

I was at languages in school and lots of people said Chinese was the language of the future so I gave it a . It's not always easy and it might take a to become fluent but I'm determined to with it.

I was on gymnastics as a child so when I saw the advert for a circus skills class I decided to it out. It's and sometimes I get up when something is difficult, but in general it's a great way to just let and .
