- ☐ B) She can't afford the instrument.
- ☐ C) Her parents won't allow it.

### PART 3 – LISTENING

#### Lawn Bowls

The game can be played by anyone, but the average player's age is probably (1)  in their thirties.

During a game, it is normal for players to walk several miles, and (2)  up and down over 100 times.

Although grass is the normal surface, (3)  surfaces are increasingly being used.

The balls used for Lawn Bowls are made from a hard (4)  material.

The balls used to be only black or (5)  in colour.

A bowling green is normally (6)  in shape.

### PART 4 – LISTENING

*You will hear a conversation with Sally who is an expert on how to study.*

1 - What, according to the speaker, should you do after about half an hour?

- A) Have something to eat.
- B) Have a break.
- C) Listen to music.

2 - What does the speaker say about sleep?

- A) You should sleep well after studying.
- B) You should sleep well before studying.
- C) You should sleep well before and after studying.

3 - What kind of notes are best, according to the speaker?

- A) Your friend's because they are tidy.
- B) The book is better than notes.
- C) Yours because you had to listen to take them.

4 - The speaker says that distractions

- A) are not a serious problem.
- B) should be removed from your mind.
- C) are difficult to avoid.

5 - What is the best way to get rid of distractions?

- A) Repeating a key word.
- B) Having something to eat.
- C) Listening to music.

6 - Where is the best place to start, when studying?

- A) At the beginning.
- B) At the end.
- C) With the most important ideas.
