

Haven't ...      You ...

**meet (x2) / work / million / life / yet (x2) / surprised / luck / change /  
break / every / amazing / stop**

I'm not ...      not everything lasts    I've ...      my heart so many times    I ...      keeping track

Talk myself in    I talk myself out

I get all ....      up    then I let myself down

I tried so very hard not to lose it

I came up with a ...      excuses

I thought, I thought of ...      possibility

CHORUS

And I know someday that it'll all turn out

You'll make me work so we can work to work it out

And I promise you kid, that I'll give so much more than I get

I just haven't ...      you ...

Mmm, mmm, mmm, mmm, mmm

I might have to wait    I'll never give up    I guess it's half timing    and the other half's ...

Wherever you are    whenever it's right    you come out of nowhere    and into my ...

And I know that we can be so ...

And baby your love is gonna ...      me

And now I can see every possibility

Mmm

CHORUS
