COMPLETE FCE. REVISION UNITS 1 TO 9.

OPEN CLOZE

A new summer programme

This summer, a group of 16-year-old students are taking (9) _____ in a three-week programme designed to teach them new skills and get them (10) _____ to working with people they have never met before.

(11) _____ things go according to plan, in two years' time, nearly one in six teenagers will be involved in the programme with the eventual aim of offering it to (12) _____ young person in the country.

(13) _____ far, our group has spent two weeks living away (14) _____ home (many for the first time), initially on an outdoor course , with activities (15) _____ as rock climbing, rafting and trekking and then spending a week in self-catering accommodation where they are planning and setting up a volunteer project. At the moment, the students are putting their plans into action not (16) _____ by cooking for themselves, but also by organising a night outside sleeping rough in order to raise money for a local homeless shelter.
