How are you today my Lower A friends? Are you ready join with us to learn CIPP Math? Today we were going to learn about comparing numbers. What does it mean to compare numbers? How do you compare numbers? Let's see the video to find out.

All numbers have value. You can compare the value whole numbers by using these symbols.

Step 1 : line up the numbers according to place value

97

47

Step 2 : compare the numbers in each place starting with the largest in this case is tens

97

47

Start here 9 - 4

9 greater than 4 so 97 > 47

Nama : _____

Tanggal : _____

Step 3: Use the the symbols to show the relationship between
the two numbers

97 < 47

97 greater than 47

Let's compare
