

## I DON'T WANT TO MISS A THING by Aerosmith

1- Complete with one or two words.

I could \_\_\_\_\_ just to hear you breathin'

Watch you smile while you are \_\_\_\_\_

While you're \_\_\_\_\_ and dreaming

I could \_\_\_\_\_ my life in this sweet surrender

I could \_\_\_\_\_ in this moment forever

Where every moment \_\_\_\_\_ with you is a moment I treasure

2- Choose the correct option.

[Chorus]

Don't want to **open/close** my eyes

I don't want to **fall/felt** asleep

'Cause I'd miss **her/you**, baby

And I don't wanna miss a thing

'Cause even when I **dreamt/dream** of you (even when I **dreamt/dream**)

The sweetest dream **would/will** never do

I'd **still/just** miss you, babe

And I don't want to miss a thing

3- Drag a word from the box.

\_\_\_\_\_ close to you feeling your heart \_\_\_\_\_

And I'm \_\_\_\_\_ what you're \_\_\_\_\_

Wonderin' if it's me you're \_\_\_\_\_

Then I \_\_\_\_\_ your eyes and \_\_\_\_\_ God we're together

And I just want to \_\_\_\_\_ with you

In this moment forever

Forever and ever

**stay - beating –  
dreaming – kiss - lying  
– wondering – thank -  
seeing**

[Chorus]

4- Match the halves.

|----------------------|---------------------|
| I don't want         | to be with you      |
| I don't want         | just like this      |
| Well, I just want    | to miss one smile   |
| Right here with you, | to miss one kiss    |
| I just want          | here in this moment |

I feel your heart  
And just stay  
For all  
Yeah (yeah)

the rest of time  
to hold you close  
so close to mine

*[Chorus] x2*

Don't want to close my eyes  
I don't want to fall asleep, yeah  
I don't want to miss a thing
