

PRESENTING PORTFOLIO PROJECTS IN A DESIGN INTERVIEW

One of the key steps in a product design interview process is a portfolio presentation. Typically, you'll have ~60 minutes to present your portfolio to the team – highlight your past work and guiding them through your design process. This is a key part of the interview that could make or break it.

1) HOW DOES SHE COMPARE THE PROCESS OF PRESENTING YOUR WORK?

2) WHAT IS A PORTFOLIO REVIEW?

3) WHAT IS THE PRESENTATION PROCESS FOR?

4) HOW MANY PROJECTS ARE RECOMMENDED TO PRESENT?

5) WHICH BASICS PRESENTATION FRAMEWORK ARE NEEDED?

6) WHAT IS THE MOST IMPORTANT THING TO TALK "ABOUT ME"?

7) IN THE JOURNEY SECTION WHAT IS IMPORTANT TO SAY?

8) WHAT IS THE MORE IMPORTANT FOR THE "CASE STUDIES"?
