

take guts

Definition

If something **takes guts**, it requires courage in the face of danger or great risk. It takes guts for firemen to enter a burning building to save someone.

Guts:

all the organs inside your body, especially the ones in the stomach area

It took a lot of guts.

I know that, you know, getting back up on that horse, that takes a lot of guts.

1.

- Think of a situation which you can describe with this idiom.
- Think of 5 questions you can ask your partner about a situation
