

## The passive to describe process

The modals have to and need to must agree with the subject; other modals, like may be, have only one form: Each scene **has to/needs to** be filmed from several different angles.

**Put the words in the correct order to make sentences.**

1. overnight / business / A / started / small / isn't / .

---

2. to / plan / business / a / written / First, / be / has / .

---

3. research / Next, / done / be / market / should / .

---

4. needs / competition / to / the / Then / identified / be / .

---

5. online / ads / posted / be / Classified / may / .

---

6. work / are / employees / be / hired / can / started / the / so / Finally, / .

---
