Hello, my name is Alexei. I am sixteen years old and I live in Vladivostok. I always get up at six thirty every morning. I brush my teeth and I have breakfast at seven o'clock. I usually go to school on foot at seven fifteen. The school starts at eight fifteen and ends at two o'clock in the afternoon. I go with my friends to the park after the school. We often play football. When I go back home, I watch movies and after dinner I do my homework. I play tennis with my little brother in the garden. I sometimes ride bike. I play videogames. I take a shower at nine o'clock and I go to bed at nine forty-five.
