

Ronda's diary

Tuesday: I got to work really late. I missed a meeting and my boss was angry. My train was late because a different train had broken down. I'll try to be early all week to make my boss

happy! Oh, no! Just met Pierre for lunch and got back late. My boss is really angry now. I need to find a new job!

Wednesday: I wrote to ask about some new jobs today. One's to work in a cake shop. I love cakes but the job doesn't pay enough money. Then there's a job working for a fashion magazine. I love clothes. I don't think I'm good enough for the job, but I hope I get it. There's also a job to be a secretary, but it's boring. Maybe I can keep my job if I don't get the one I want.

Thursday: I met Tony for dinner. He's back from Rome. Now he wants to go to New York with me at the weekend. That's great, but it's too far to fly. We'll just go to London for the weekend. I would like to go to Paris, but Tony hates France, and he really hates my friend Pierre!

Friday: What a crazy day! I went to see the fashion magazine and they gave me a job there. I was really happy telling my boss I'm leaving. Then I met Pierre for lunch and he asked me to marry him! I can't believe it! Oh, no! How can I tell Tony I can't go away with him for the weekend?
