

## Prepositions: in, on, at

Choose the correct preposition for each gap in these texts:

1. Open your book \_\_\_\_\_ page four, look \_\_\_\_\_ the first picture \_\_\_\_\_ the page. What can you see \_\_\_\_\_ the photo, \_\_\_\_\_ the right-hand side?
2. Murcia is \_\_\_\_\_ the south-east of Spain, but the city is not \_\_\_\_\_ the coast — it is \_\_\_\_\_ a valley, surrounded by mountains \_\_\_\_\_ all sides. It is so hot \_\_\_\_\_ the summer that local people say they live \_\_\_\_\_ a frying pan. My favourite town \_\_\_\_\_ the province of Murcia is Cartagena.
3. \_\_\_\_\_ first sight, Great Britain is not a mountainous region, but there are some rather impressive mountains \_\_\_\_\_ the island. Ben Nevis is the highest mountain \_\_\_\_\_ Britain. It is \_\_\_\_\_ the Grampian Mountains, \_\_\_\_\_ Scotland. It is \_\_\_\_\_ the south-west end of a series of rivers and lakes, arranged \_\_\_\_\_ a straight line, which include the famous Loch Ness and the River Ness \_\_\_\_\_ the north-east end.
4. When you are \_\_\_\_\_ home or \_\_\_\_\_ school, or \_\_\_\_\_ your working place, you need not use the preposition \_\_\_\_\_ to indicate that you are inside a building, because it is obvious. So, if you are a nurse, you can say "I work \_\_\_\_\_ the hospital". If you go to the hospital to visit a sick friend, you are \_\_\_\_\_ the hospital, but your friend is \_\_\_\_\_ hospital.
