reforms

The modern-day constitution \_\_\_\_\_ focused on the right of The Bahamas to rule itself. \_\_\_\_\_ is the government's ability to make its own decisions without help another country. The ability to control country's affairs without having outside help from another government; is called \_\_\_\_\_ self-government. \_\_\_\_\_ self-government is the ability to make political decisions form matters that involve your country in global affairs. A condition of a country or state in which its residents exercise self-government over its own lands/territory is \_\_\_\_\_. The Bahamas was granted internal self – government in \_\_\_\_\_. The first Premier was Sir \_\_\_\_\_. The power of the \_\_\_\_\_ decreased, and that of the House of Assembly \_\_\_\_\_. In \_\_\_\_\_ The Bahamas was granted External self – government. The name \_\_\_\_\_ was changed to Prime Minister. The First Prime Minister was Sir \_\_\_\_\_. The Governor General dealt only with foreign affairs, \_\_\_\_\_, and internal security. \_\_\_\_\_ of The Bahamas was our country's official name. In \_\_\_\_\_ The Bahamas became a fully independent nation controlling its own affairs both at home as well as aboard. The \_\_\_\_\_ was now represented by a Governor-General who was \_\_\_\_\_ by the Prime Minister. The government \_\_\_\_\_ by the people was now completely in power.
