# 1 Bigger numbers

It is cricket time and the children of class 5 were busy discussing the events of yesterday's match between India and Sri Lanka. The class teacher was aware about childrens' cricket fever and came well prepared into the classroom and started asking them about their favourite bowlers.

Teacher then made the following table on the board-

| Name of the bowler | Country | Wickets taken in international matches till September 2012 |
|---|---|---|
| Muralidharan | Sri Lanka | 1347 |
| Sharne Warne | Australia | 1001 |
| Anil Kumble | India | 956 |
| Kapil Dev | India | 687 |
| Walsh | West Indies | 519 |

Teacher then started asking children questions based on the numbers written on the board.

(a) Who has taken the highest number of wickets? _____

(b) How many more wickets has Kumble taken than Kapil Dev? _____

(c) How many more wickets has Kapil Dev taken than Walsh? _____

SCERT TELANGANA
