

Ms. Kira Williams  
Princeton Elementary  
5<sup>th</sup> Grade  
Cells

## Morning Work

### Science

1. The most basic unit of life are \_\_\_\_\_.
2. All cells have a nucleus, cell membrane, and \_\_\_\_\_.
3. Only plant cells have these 2 things \_\_\_\_\_ and \_\_\_\_\_.
4. The \_\_\_\_\_ is the gel- like substance in a cell.
5. The \_\_\_\_\_ is the control center of the cell.
6. The \_\_\_\_\_ protects the cell in both animal and plant cells.
7. The vacuole is in both animal and plant cells. The \_\_\_\_\_ cell has a large vacuole that has mainly water cells.
