

Prepare to write:

How could you structure a Science-fiction story: Write the questions in order under the correct headings.

- a. What happens next?
- b. What is the problem?
- c. Who is the main character?
- d. Where does he / she live?
- e. What has changed at the end?
- f. What happens?
- g. Is the problem solved?
- h. What is he / she doing?
