

FRUITS DOMINO

I am yellow.
I am long
I grow in trees.
Monkeys eat them.

I am brown outside
I am green inside
I have many seeds
My skin is rough

I am small and red
I grow in trees
I can be sweet and
sour
My seed is inside.

I am green
I grow on trees
I have smooth skin
I can make a pie.

I am red and sweet
I grow on the ground
I am good with cream
My seeds are on the
outside

You can eat me and
You can drink me
I am juicy
I am orange

I am green and small
But I can be red as
well
I grow in bunches
I am sweet

I am green
I look like a funny
apple
I am sweet,
I grow on trees

I am green and red
I am round
I am very juicy
You have to cut me
open

I am yellow
I am not sweet!!
I grow on trees
I can make juice.
