The New Guide to Ecuador and the Galapagos Islands

Most people who come to Ecuador to scuba _____ or _____ go to the Galapagos. The Galapagos are famous for their rich marine environment and colorful animals. Most boats have _____, but it is better if you bring your own mask to make sure that it is your size.

This sport is relatively new in Ecuador. Several companies such as Hotel Quito, Ecotours, or Row expeditions, all in Quito, are some of the new, safe companies that offer _____ in Ecuador. Baños and Tena are popular cities for tourists who enjoy kayaking.

Ecuador has many mountains for adventure and excitement. One of the most common _____ trips is to the Chimborazo volcano. There many companies that take you there, but you have to be prepared. Another amazing option is the Cotopaxi Volcano. This is the tallest active volcano in the world. It is not very difficult. Every weekend there are around 100 people, trying to go to the top of the volcano.
