

## LENGTH

Read the given passage carefully and answer the following questions.

Reema wanted a long dress for her birthday. Her mother bought a red long dress for her. The length of the dress was 1m 25 cm. When Reema tried it, she found it to be too long. Her mother said that she will get it altered. Next day she went to the tailoring shop which was 2 km away from their house. Reema's mother asked the tailor to shorten the dress by 20 cm. When she was returning, halfway through, she met her friend Meeta. Meeta was buying vegetables. Reema's mother invited Meeta and her daughter for Reema's birthday.

Choose the correct answer
