##### Kristina's Blog

Welcome to my blog.

Hi! I am Kristina and I work for Lufthansa Airlines. Today I am going to tell you about my typical week at work.

I usually fly on long-distance flights, mainly to the USA and Canada. This week, I am going to have two flights. I am going to fly to Miami and back to Berlin twice. It is an eleven-hour-flight on an Airbus A380. The Airbus A380 is a huge plane for 853 passengers. My flights to Miami are on Monday and Saturday mornings.

As a flight attendant, I take care of passengers, serve meals and drinks, inform passengers about safety rules, and make their flight pleasant and comfortable.

After landing in Miami, I stay there 24 hours and then fly back to Berlin. The other flight attendants, the pilots and I stay at the same hotel near the airport. Most of us relax after a flight, but some spend their time shopping or sightseeing. I always visit downtown Miami for two or three hours.
