## Triller

M.J.

It's close to 1).\_\_\_\_\_

And something evil's lurking in the dark

Under the 2).\_\_\_\_\_

You see a sight that almost stops your heart

You try to scream

But terror takes the sound before you make it

You start to freeze

As horror looks you right between the eyes

You're paralyzed

'Cause this is thriller, thriller night

And no one's gonna save you from the beast about to strike

You know it's thriller, thriller night

You're fighting for your life inside a killer thriller tonight, yeah

Oh oh oh

You hear the 3).\_\_\_\_\_ slam

And realize there's nowhere left to run

You feel the cold hand

And wonder if you'll ever see the sun

You close your 4).\_\_\_\_\_

And hope that this is just imagination

Girl, but all the while

You hear the creature creepin' up behind

You're out of 5).\_\_\_\_\_

'Cause this is thriller, thriller night

There ain't no second chance against the thing with forty eyes, girl

Thriller, thriller night

You're fighting for your life inside a killer thriller tonight

Night creatures call

And the dead start to walk in their masquerade

There's no escapin' the jaws of the alien this time (they're open wide)

This is the end of your life, oh

They're out to get you

There's demons closing in on every side

They will 6).\_\_\_\_\_ you

Unless you change that number on your dial

Now is the time

For you and I to cuddle close together, yeah

All through the 7).\_\_\_\_\_

I'll save you from the terrors on the screen

I'll make you see

That it's a thriller, thriller night

'Cause I can thrill you more than any ghost would ever dare try

Thriller, thriller night

So let me hold you tight and share a killer, thriller
