

A vibrant, cartoon-style illustration of a garden. In the foreground, there is a green lawn with a yellow path. A white picket fence runs across the middle ground. Behind the fence, there are several colorful flowers: a purple one, a pink one, and a blue one. The background is a bright blue sky with a large white cloud. The text "Let's classify" is written in a dark blue, sans-serif font across the middle of the cloud. Numerous colorful butterflies are flying around the scene, including red, orange, blue, pink, and green ones with various patterns on their wings.
