George's house

Becky and George are talking about his house.

Becky: Have you got a big house or a small house?

George: I've got a big house.

Becky: Is it a new house or an old house?

George: It's about fifty years old but it´s great.

Becky: How many floors has it got?

George: It has got two floors: the ground floor and the first floor. There's also a garage and a garden.

Becky: How many rooms has it got?

George: Downstairs there is a hall, a big green living room, a dining room, a kitchen and a toilet. Upstairs there is my bedroom, my sister´s bedroom, my parents´ bedroom and a study on the left. There are also two bathrooms on the right.

Becky: What's your favourite room?

George: It's the living room because it is very comfortable. There is a beautiful picture on the wall, a rug in front of the bookcase, a TV on a table and a computer on a beautiful desk. There are two brown sofas and two armchairs next to the two round tables.
There is also a garage and a lovely garden. I love my house.

A. Read the text and fill in the table about George´s house
