The screenshot shows the LIVEWORKSHEETS website interface. At the top, there is a navigation bar with links: Home, About this site, Interactive worksheets, Make interactive worksheets, Make interactive workbooks, Community, and Help. Below the navigation bar, there are buttons for 'Students access' and 'Teachers access'. The 'Help' button is circled in red and labeled with a red '2'. A red line connects this '2' to the text 'Basic first steps' and 'Primeros pasos básicos' on the right side of the image. Another red line connects the 'Help' button to a dropdown menu that contains 'Tutorial', 'Video tutorial', and 'Get started'. The 'Video tutorial' option is circled in red and labeled with a red '4'. A red line connects this '4' to the text 'How to make a worksheet (12-minute videotutorial)' and 'Cómo hacer una ficha (video-tutorial de 12 minutos)' on the right side of the image. A third red line connects the 'Video tutorial' option to a search bar labeled 'Search help'. This search bar is labeled with a red '3'. A red line connects this '3' to the text 'How to make a worksheet in 6 steps. + all the options!' and 'Cómo hacer una ficha en 6 pasos. ¡Y todas las opciones!' on the right side of the image. On the left side of the image, there is a red '1' with a line pointing to the 'About this site' link in the navigation bar. This '1' is associated with the text 'How does this site work?' and '¿Cómo funciona este sitio?'. The main content area of the website shows a list of links: Register as a teacher, Make interactive worksheets, Using the interactive worksheets, Make interactive workbooks, Students' registration, Send worksheets to your students, Check your students' work, Send feedback/comments to students, Manage your account, School accounts, and Other functions / options. Below this list is a section titled 'Frequently Asked Questions:' with links: I haven't received my activation/confirmation email, Where can I find my secret key code?, Can I edit other users' worksheets?, and How is the grading/score calculated? The LIVEWORKSHEETS logo is visible in the bottom right corner.
