

## UNIT 3 GRAMMAR WORKSHEET

### 1.- DRAG THE REPLIES TO THE CORRECT PLACE

A woman with dark hair, wearing a black top, is shown from the chest up. She is looking upwards and to the right with a thoughtful expression, her right hand resting against her chin. Above her head is a large, light blue thought bubble with a brown outline. Inside the bubble, the question *Is this Suzy's cellphone?* is written in blue cursive text. Below the woman is a black smartphone displaying a grid of colorful app icons. To the right of the woman are five green speech bubbles, each containing a different reply. The top bubble contains *It must be*, the second *It can't be*, the third *It could be*, the fourth *It may not be*, and the bottom bubble contains *It may be*. Each of these bubbles has a curved arrow pointing from the right towards the thought bubble above.

*Is this Suzy's cellphone?*
