The illustration shows four children interacting with a large wooden board. Two boys are lying on top of the board, and two girls are standing at the bottom corners. The board contains five subtraction problems in different colored boxes:

- Top-left (yellow box): $74 - 32$
- Top-right (purple box): $83 - 52$
- Center (blue box): $96 - 44$
- Bottom-left (green box): $35 - 14$
- Bottom-right (grey box): $47 - 25$
